Volume 12

Dear Mrs. Benson,

Through the years you have always been aware that many of us resented, at first, your emphasis on the formal side of English - the drills, the repetition, the striving for perfection. But all along you knew that language is our road to success and now we know it, too. We realize that we are grateful to you for your helpful counseling, your friendly advice, and your untiring patience. Your broad teaching experience in both the grades and in high school has made it possible for you to help and understand us as individuals.

The Notebook, in behalf of the students and faculty of OHS, salutes you!

and So It Came to Pass . . .

For years a succession of school boards has worked to bring better school conditions to our city. Naturally, not all groups have agreed upon the best solution to our problem, but nobody ever questioned the sincerity of each. Then . . . November 4, 1958, and the culmination of all the years of unselfish effort.

Although we who are students at OHS today will not benefit directly from your action, we will have the proud satisfaction of seeing our children attend a new high school in a growing community!

EACH NEW YEAR brings new problems to any school but this fall brought more than its share to OHS. Most of them stemmed from the one big problem of too little space for too many people, and so the "stagger system" was born.

When we came to school (a day earlier than usual!), we were given a brand new type of program in one of four attractive colors and we learned that the color of the card determined the shift to which we had been assigned. The plan allowed for only two-thirds of us to be in school at any one time so, what with two study halls taken over for classroom use, most of us were free to leave the building when we were not actually in class.

It was fun and exciting at first — coming and going at odd hours, rushing down for a coke in mid-morning — but, suddenly, we began to discover some of the drawbacks. We found that we missed seeing many of our best friends whose shifts were different from ours and we realized, too, that the new schedule provided little or no time for club or class meetings or for assemblies or pep rallies. We decided that maybe the new freedom wasn't quite so glamorous, after all!

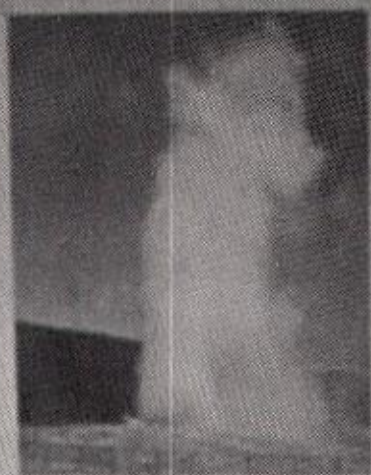

In spite of the many handicaps, or, perhaps, because of them, faculty and students worked together wholeheartedly to make sure that the learning process went on without interruption and

under the skillful guidance of our teachers.

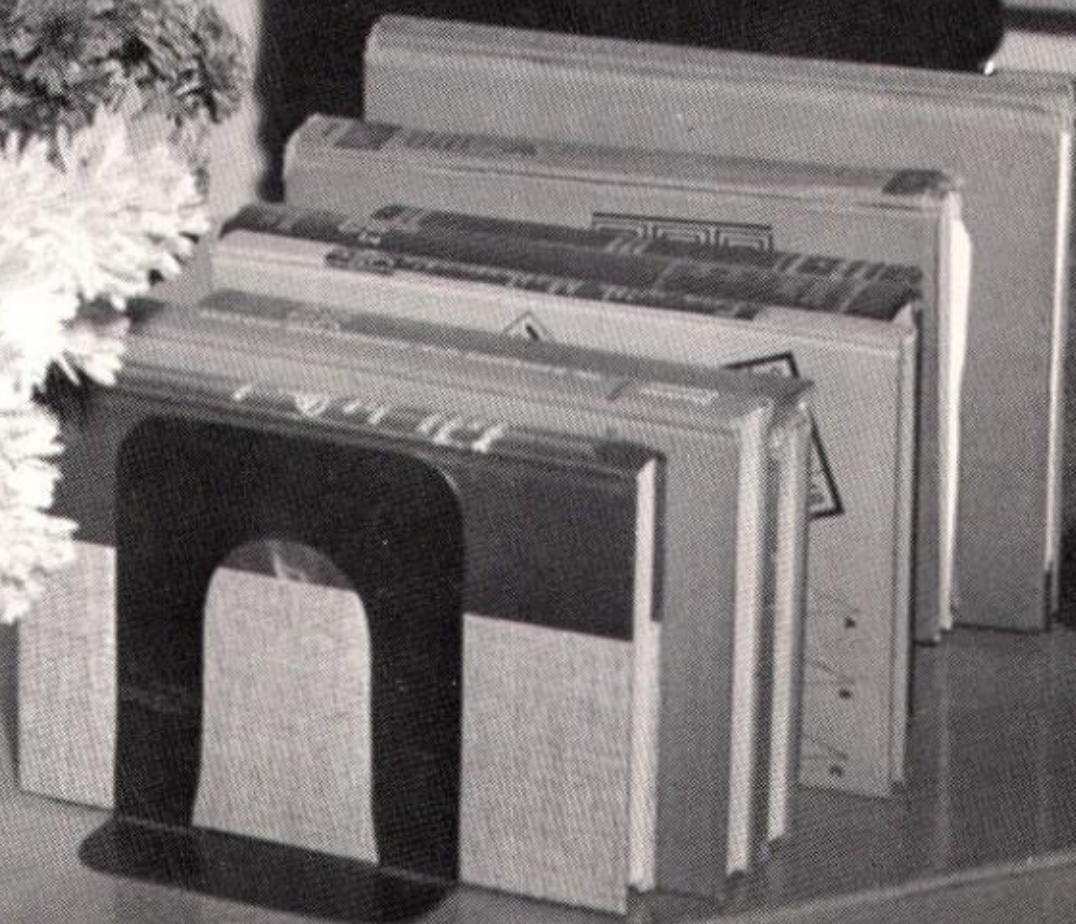

Miss Eva Asmundsen passed away on November twenty-sixth. Her fine teaching, her wise counsel, and her warm friendship will always be an inspiration to those whose lives she touched.

been greatly curtailed,

We Learned to Work Together

through participation in those
activities still offered by our
school.

The Homecoming pep meeting, preceded by a fascinating General Motors demonstration, served as an exciting "kick-off" for the day's events.

Homecoming

Miss Josslyn and her team of "co-ed cuties" led a rousing cheer for the Indians.

The date, October 3 . . . The place, Oshkosh High . . . The mission, to "Wax the Cats"!

.....
It was a high day at OHS from the early morning sale of mums right down through the presentation of the Queen and her Court at the pep meeting to the thrilling parade of floats. Then, at eight-thirty P.M., we suddenly found we had run out of "wax" and the Indians went down to defeat at the hands of the West Green Bay Cats to the tune of 30-0!

The Homecoming court on its regal float . . . the highlight of the parade!

This prize-winning float expresses the Indians' determination to make the Kats' fur fly.

1958

However, some of the indomitable spirit displayed by our boys on the field must have rubbed off onto us, so we gathered our forces and made our way to the Rec. Gym. for the traditional Homecoming dance. With soft lights and good music, it was a perfect ending to a wonderful day and left us with many cherished memories of . . .

Homecoming 1958

Kay Stry, Carol Wilson, Sharon Lindo, and Mary Muraski get the goal posts in shape for the big game.

A thorn among the roses . . . ! Mr. Croft stands by as Queen Nancy Allen, Senior Attendant Helen White, Junior Gretchen Ilk, and Sophomore Kathy Embs are presented to the crowd at the game.

Once in

"Dad, would you like some Eggs Foo Yong?" This was just one of the lines that never failed to get a laugh all through the long weeks of rehearsal as well as at the finished performance of the Masque Club play. **ONCE IN EVERY FAMILY** told the story of a hilarious episode in the life of a family with teen-agers.

TOP: The Russells are trying to further neighborly relations without the cooperation of Mr. Brooks. (A. Ulrich, B. McIntyre, and J. Horwitz)

MIDDLE: Skillful make-up artists at work.

LOWER: C. Karr, B. McIntyre, J. Gunderson, and K. Devendorf — "all's well that ends well"!

RIGHT: Money and fish come between Shipahoy Russell and Jill Higgins. (T. Hoffmaster and M. Robertson)

Every Family

Those who applauded so enthusiastically "out front" couldn't realize, of course, just how much went into this fine production . . . the painting of scenery, the hunt for properties, the details of costumes and tickets and ushers, the frenzied of the dress rehearsal, and then — the night! An extra touch of lipstick, a quick, nervous twitch to a costume, a last-minute nail for a shaky flat, and the curtain was up. The play went on like clock-work and Miss Draeger and her happy cast knew they had a hit!

LEFT: S. Putzer and S. Lindo discuss the finer points of the drama.

RIGHT: It looks as though a family feud is in full swing.

TOP: Mother informs father that she is leaving for her class reunion and that he will be left with the clan . . . it happens "once in every family." (C. Karr, B. McIntyre)

BOTTOM: Jill, Betsy, and Babs are especially glad to welcome Bruce, home on furlow. (M. Robertson, R. Gollnick, S. Lindo, K. Devendorf)

Against the background of 18th Century Paris, Francois and Katherine sing out their love. (T. McCain, M. J. Neilson)

Huguette is on the receiving end of a bit of French gallantry. (J. Lewis, T. McCain)

The last word in duels: S. Karges and C. Nelson engage in a battle of song for the favor of Lady Mary. (J. Kozak)

J. Steinbrecher, N. Wertsch, and J. Wegener thrive on court life — or so it would seem.

A Cappella Presents

For several weeks after school opened, a mysterious change seemed to be creeping over the male members of our student body. Several of them were beginning to sport beards and long hair (we didn't really believe for a minute that they were going *completely* long-hair!) and chivalry seemed to be afoot again. Doors were held open for members of the weaker sex and the exciting prospect of a leather jacket spread out over a mud puddle was a distinct possibility. Something serious had caused this change and rumor had it that Mr. Leist was behind the whole thing. Sure enough, posters and stickers began to blossom out all over town announcing A Cappella's presentation of THE VAGABOND KING!

"Only a rose," sing M. J. Perk and F. Leist as Katherine and Francois.

"We pulled them through," say the prompters, B. Lentz and J. Schneider, and the accompanists, S. Putzer and J. Lewis . . . with a slight assist from director Leist.

*helloooooo Betty
good luck
and hope you have
a real nice sum
Be seeing you,
Mary*

Huguette, the town belle, wants more of the Vagabond's attention. (S. Thomson)

"Sons of France," J. Witzke, S. DeVoe, and R. Felker surround barmaid P. Dohrman and prepare to fight Burgandy.

The Vagabond King

Finally, on the night of October 8, the lights in the Webster Stanley auditorium were dimmed and the curtain rose to reveal the France of Louis XI in all its glory. The citizens of Paris held the audience spellbound as they sang about life and love and resolved to drive the Duke of Burgandy as far away from gay Paree as possible.

As the last notes of the operetta died away and the cast took its curtain calls, we realized that we had again been privileged to attend an outstanding A Cappella production.

It's amazing how much lipstick can do to transform 20th Century America into 18th Century France!

A Cappella Choir

Music! Music! Music!

Very few people are aware of the broad scope of our music department. Nearly six hundred students — about one-third of our total enrollment — are members of either a choral or an instrumental group. Be the music sweet and soft or gay and lively, be it long-hair or strictly crew cut, these organizations always give generously of their time and their talents so that the people of our town may enjoy fine musical entertainment. In addition to the major performances listed on these pages, the department never fails to respond to a call from church or civic groups to provide all or part of a program for their regular meetings. Surely, no school could ask for a more effective public relations activity.

Hot Off

September 13 — *Wausaw* 7 *Oshkosh* 19 (There)

In a hard fought game the Indians took their opener on one touchdown by Lehmann and two by Konrad.

September 19 — *Green Bay East* 23 . *Oshkosh* 7 (There)

Four fumbles and two interceptions brought the Indians defeat in the Conference opener. Konrad and Trickel combined to give us our score.

September 26 — *Manitowoc* 14 . . . *Oshkosh* 13 (Here)

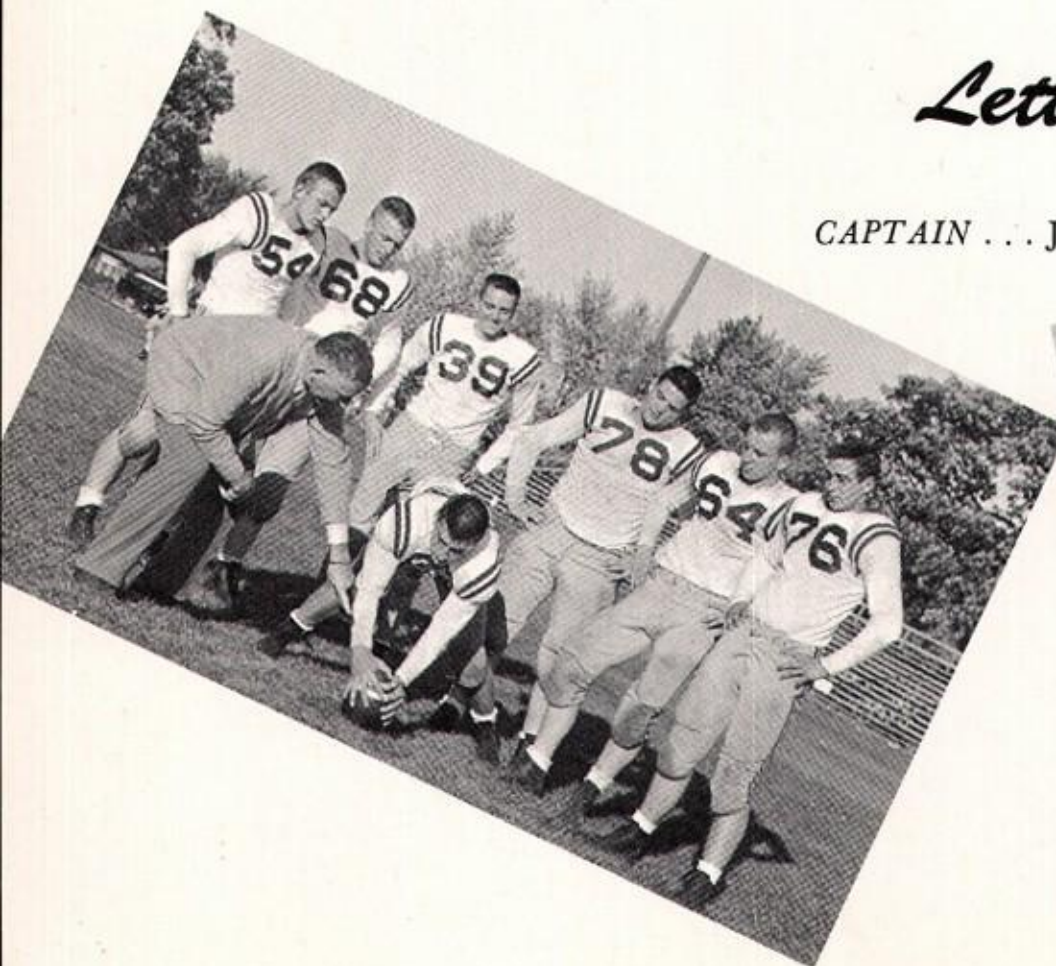

One blocked PAT kick made all the difference after Schlosser and Trickel both crossed the goal line.

October 3 — *Green Bay West* 30 . . *Oshkosh* 0 (Here)

The Wildcats were really wild and a large Homecoming crowd witnessed the crushing defeat of the Indians by a powerful West team.

A season of ups and downs is just at the half-way point as we go to press. We may have jumped off to a slow start but, if the last two games (Appleton and Green Bay East) are any indication, our boys have found the range and will wind up with a creditable number of games in the winning column.

After Hours

MIAA offers year-round activities for sports-minded boys. Over 200 participants enjoy bowling, wrestling, basketball, tennis, golf, swimming and ping-pong. Points are awarded for participation in both team and solo sports and a letter is presented to anyone who accumulates 1500. A special award is reserved for those who reach the 3000 mark. Each year the top ten winners are given a trip to a Braves' game.

Our intramural program is important in providing an outlet for good players who are not on a varsity team as well as in offering healthful spare-time activity. Its great popularity, however, can only be attributed to the fact that it's *fun!*

Let 'er go, Jean Krukow!

It's All in the Game

*Our school has a club known as GAA,
The group which brings all kinds of sports your way.
There's badminton, bowling — lots of fun —
And tennis and swimming for everyone.
One of our goals as we join in the play
Is to win a big letter on Sports Awards Day.*

It's Kathy Brejcha, Mr. Nord, you'd better sign her up!

Well, here we are — over four hundred of us — products of a fine, American public school. We've absorbed the learning, we've met the challenges, and we've enjoyed the great variety of experiences pictured in these pages. We've had three years of work and fun and happy association. Those years have given us confidence to meet whatever the future may hold. We are proud to be

Hi! Betty,
 I never got to
 know you well, and
 I regret it.
 Always,
 The little French A.F.S.
 Pierre

Dear OHS Friends:

Gone already! It is quite unbelievable how quickly my year with you has passed. Soon I shall have to leave Oshkosh and it seems that I came just yesterday. I shall be glad to be home again with my family and my friends, but at the same time it makes me sad to depart from all of you.

I am grateful to the American Field Service which gave me the opportunity to come to the U.S.; however, I owe sincerest thanks to you who made my stay a success. Even in France I have never felt so much friendliness or such a desire to help as in Oshkosh High. Everyone has tried his best to make me feel at home.

Now Oshkosh has really become my second hometown. The Marquarts, with whom I lived, accepted me like a real member of their family and gave me many opportunities to understand better the American way of life. When I return to the French system of studies, I shall never forget the wonderful moments connected with OHS . . . at dances, parties, meetings, and games; on my trips out of town; while reading poems at the Roman Banquet; and with my "cockroaches" in the Senior Class play!

I found my experiences on committees and with the Student Council most valuable. The Council, I felt, was really the heart of Oshkosh High School. I would like to thank the school officials and the faculty who joined with the students to make my stay both pleasant and profitable.

Soon, in many ways too soon, I shall have to leave you and Oshkosh, but I hope to come back some day — in a few years, perhaps. If any one of you should go to France, I surely would like to welcome him or her to my little town of Bressuire where I would try to return some of the kindnesses you have shown me.

Your French AFS student,

Pierre Samier

VARSITY..

FRONT: Harenberg, Mgr. Kriha, Nordquist, Frey, Zentner, Manthey, Pelky, Mgr. Stoegbauer. **REAR:** Konrad, Russler, Johnson, Lehman, Lowther, Drahn, Cook, Duex, Kumbier, Coach Quandt.

Baseball

A fine season was enjoyed by our boys as they ended with a 7—6 record. Our team was strengthened by the 300 hitting of Gary Johnson and Dick Konrad and by the fine pitching performances turned in by Johnson and Don Lehman.

Golf

Taking sixth place in the conference, the OHS golf team lost two dual meets then came out first, second, and third in quadrangular play. Coach Nord's boys qualified for state with a second place in the sectionals. Top performance was by sophomore Dave Graska who twice shot 39 for nine holes and a 74 for 18. Other lettermen: H. Schultz, R. Felker, and H. Hartman.

JAY-VEE

FRONT: Kaufman, Hedtke, LaBudde, Kuhn, Monroe, Busha, Luedtke, Hafemeister, Miller, Bartow, Penzenstadler, Herrle. **REAR:** Mgr. Kotschi, Williams, Pucci, Schumacher, Schmeisser, Weiner, Coach Betry, Gartman, Schroeder, Mirkes, Meyer, Friday, Mgr. Staerkel.

Sports

Duchachek, Horwitz, Klabunde, Pyle, Bleckinger, Peroutky, Gabriel, Krohn, Schwertfeger, Lewellyn, Qust, Pomraning.

Tennis

Our tennis team had the "most successful season in a decade," according to Coach Hansen. Our second place rating was made possible by Chuck Bleckinger, the first sophomore to place first in the conference, and seniors Karl Schwertfeger and Ken Krohn. They kept us in the first division for the third straight year.

Track

Sparked by state high jump winner, Gene Englund, our thinclads piled up a 3-2 record in dual meets, a second in the triangular meet, and a seventh in the conference. Besides Englund, who set a new high-jump record, strong team members were lettermen Cowan, Gumz, Wesner, and Whitty. The future looks good for our track squad.

The May Dance

Every year in the early spring an air of great secrecy pervades our school. It is then that the girls of the senior class elect the May Queen and her court — the best loved and most representative girls in the class. This year the secret of the Queen's identity was Ruth Ann Harrington's to keep.

On the evening of May 1, Ruth Ann, preceded by the members of her court, entered the gym in a white formal thus ending our suspense for another year!

"This is the forest primeval,
The murmuring pines and the hemlocks????"

No, this is *Prom* the moment the class of '59 had been waiting for. Seniors and their dates danced in a mossy forest scene under the MOONLIGHT MIST that appeared in the cloud-studded sky.

As the highlight of the evening, our Prom King, Karl Magnusen, and his Queen, Sue Thomson, were crowned and led the dance of the royal court.

This went on for weeks —
but it was worth it.

Jerry Kalbus and Joby Jordan are "on the list!"

Graduation . . .

Karl Magnusen, class president, addresses the graduates and their parents and introduces the class speakers.

... 1959

On June 4, the Class of 1959 reached that coveted goal, graduation! After hours of morning marching practice in the hot sun, a red-faced group of seniors — 410 strong — entered the athletic field at exactly five o'clock attired in bright blue caps and gowns. We received our diplomas, we listened to our class speakers, we shed a tear or two over the memories brought back by the A Cappella Choir and the Concert Band, and, suddenly, we realized that we were truly alumni of our Alma Mater. As the strains of "Pomp and Circumstance" floated over the field, we filed out feeling neither pompous nor circumstantial but rather that much, so much, lay before us as a challenge to be met. Sadly, then, we bade adieu to all that had comprised our happy years at OHS.
